10th Annual Conference | Hot Springs, Arkansas
June 13-15, 2014

\$150 pre-registered, \$175 at the door

Welcome to the Tenth Annual Light Language Conference! We are pleased to be able to bring together many talented Light Language teachers to experience the magic that this ancient art of sacred geometry has to offer us. Whether you are a seasoned Light Language practitioner or a fresh new student, this weekend's conference is sure to offer you an abundance of learning, insight, and healing. We hope you enjoy immersing yourself in the wealth of knowledge and activities that are to be offered!

Pre-Conference Classes

Light Language I

With Starr Fuentes

June 11 from 10am-2pm \$83

Discover how to clearly express the light that you are as you build a firm foundation for working with the building blocks of the universe. At the beginning level, you will learn to combine the energies of specific shapes and colors in 7-shape/color grid sequences to align and strengthen the energies and auras of people, places, and objects. Everything changes as you discover that you can create the reality you choose with this powerful and uplifting knowledge. Includes follow-up support.

Starr's Upcoming Classes

Please remember to visit Starr's website to learn about her latest classes and events. She has an expanding library of videos available on the **Masteryourlight.com** Shop.

Tune in to Starr's radio show '**Starr Gazing**', every **Wednesday** from 7:00-8:00pm CST on **www.blogtalkradio/spiritualconnectionsradio**. You can visit starrfuentes.com/radiostation.html to learn about each upcoming guest.

In place of a fixed schedule for 2014, Starr has a 'menu' of events which you can view at **starrfuentes.com/menu.html**. These have no fixed dates, and can be scheduled individually or in groups. Contact us to inquire about these courses and share the info with friends to make a group trip out of your spiritual growth.

**Call 501-609-0660 or email

Light Language II

With Starr Fuentes

June 11 from 3pm-8pm and

June 12 from 10am-7pm \$290

Expand your co-creative abilities by rewriting specific goals into focused light emanations that magnetize supportive energies to you. At the intermediate level, you will discover how to create larger 49-shape/color grids to support the physical plane manifestation of short-term goals (new job, cash, psychic development, personal growth, healing, selling real-estate, etc.) as well as the energetic healing of over 200 dis-eases. Includes follow-up support. Prerequisite: LL1.
